Greetings to all the brethren of District No. 17,

As we have made our transition through the holiday season I hope that the Grand Architect has overwhelmed you and your families with blessings and that you are all in good health. As this is my first opportunity to provide information to you through our newsletter I want to take this time to express my gratitude to Grand Trustee Andrew J. Fuller for the guidance and mentorship that he has provided to me since being appointed as his assistant. Now that I am the District Deputy I do realize that I now have large shoes to fill and it is my every intent to build upon the foundation that was laid by Brother Fuller. As stated during my initial address to both Worshipful Masters Councils my primary focus during this first year of my tenure will be on five areas including training, community service, compliance with the Grand Lodge, membership growth, and raising funds for the district. As with any endeavor equal to the magnitude of leading the largest district of the jurisdiction this task can never be accomplished by one person. As a result I solicit the assistance and support of every brother in this district to accomplish the goals set forth by the Grand Master and this district respectively. Next, I want to ask that you provide your support to the Assistant Grand District Deputies PM Frank Langford Jr. (Northeast Region) and PM Robert Johnson (Northwest Region) as they serve in the capacity of that office and carry out the duties of the Grand District Deputy in my absence.

As we move into 2015 it is time to roll up our sleeves and prepare to continue the good works of this district within our communities. One of the primary areas I solicit your support includes your participation to obtain a Prince Hall license tag for the Jurisdiction of Alabama as this is an opportunity for history to be made in the state of Alabama and each member should make every effort to be part of that history. Also this year marks the 50th anniversary of “Bloody Sunday” and this jurisdiction will be participating in the re-enactment of the walk across the Edmund Pettus Bridge in Selma, Alabama on Sunday, March 8, 2015. It is the request of the Grand Master that we have maximum participation at this event. We are also about to embark upon our scholarship campaign for a deserving student within this district which will be submitted for the scholarship award presented by the Grand Lodge. The district scholarship committee will be providing information to all lodges regarding the scholarship campaign. In an effort to establish closer ties between the two regions of this district I am implementing quarterly Joint Worshipful Masters Council meetings to conduct the business of this district. The first Joint Worshipful Masters Council meeting is scheduled for Saturday, 21 February, 2015 in Huntsville. Our district meeting date, time, and location will be announced early February. All lodges are required to be represented by the Worshipful Master, Wardens, or a Past Master at these meetings.

Lastly, I would like to say that I look forward to serving you as your District Deputy and I ask that you do not hesitate to reach out to me with any concerns or questions about activities of the district as well as the Grand Lodge. The district website is now available and I want to invite you to visit the website if you have not already done so at www.district17mwglal.org. The website will serve as a mechanism for all brothers of the district to gain quick and easy access to information pertaining to the district.

“Coming together is a beginning; keeping together is progress; working together is success.”

- Henry Ford

Fraternally,

Anthony J. Johnson
Grand District Deputy

Right Worshipful Andrew J. Fuller,
From Appointed to Elected

Right Worshipful Grand Trustee Andrew J. Fuller has been a mason since 1962 following in the footsteps of his father who was a Worshipful Master in Thomasville, Alabama where he grew up. He has enjoyed every year of being a mason and is very proud that his son is also a mason. RW Fuller is a member of Evening Star Lodge No. 6 and has held positions in his lodge from Tyler up to the Worshipful Master where he served for 5 years. RW Fuller put his operative mason skills to work for his lodge as he was the contractor for the building that currently sits at 2615 University Drive in Huntsville and the home of Evening Star Lodge No. 6.

RW Fuller was appointed as Grand District Deputy of District 17 in 2008 following Past Grand District Deputy Leonard Jackson (50) who had served for many years and RW Fuller served as his assistant at that time. While serving as District Deputy for District 17, RW Fuller was instrumental in the process of merging District 16 and 17 together. With the help of his assistants RW Anthony Johnson (50) and RW Robert Goodloe (46), they were able to get Brothers back active in the lodges, combine some lodges that were struggling to stay open, and move brothers to others lodges. RW Fuller also served as the Chairman of the State District Deputies when they consolidated the Districts from 17 Districts into 6 Regions. This helped the Grand Master tremendously on his travels when he visited each Regions for their meetings.

On July 23, 2014 at the 144th Annual Alabama Grand Lodge Communication in Birmingham, Alabama, RW Fuller was elected to Grand Trustee for 3 years. As Grand Trustee, RW Fuller will assist the Grand Master in making decisions on the business of the Grand Lodge. RW Fuller was very humbled about being elected on the Board of Grand Trustees and wanted to thank all the Brothers for putting their trust in him. RW Fuller also stated that he would love for all the Alabama Prince Hall Masons to get on board and support the Prince Hall Tag Campaign before the approaching deadline allowing the tag can go to production.

Mrs. Mary Johnson also spoke briefly on the challenges of living with Juvenile Diabetes as her son, Keon Johnson has been living with Type 1 Diabetes since being diagnosed over 5 years ago.

This was also an opportunity for the Masonic family and guest in Huntsville and surrounding areas to fellowship and dance the night away to great R&B music from the 70s, 80s, and 90s to the present. Special thanks from WM Glover were given to Bro. Roland Salandy (Event Chairman), the sub-committees, and Hendley Chapter No. 855 for all the hard work that went into making this event a success. The brothers were assisted by members of Hendley Chapter No. 855 and other young men seeking membership in Morning Star Lodge No. 50. After an afternoon of community service, the participants usually take time to refresh and fellowship at a locate restaurant.

Lincoln Lodge No. 99 Awards Hard Work & Leadership

On May 16th, Lincoln Lodge No. 99 awarded two worthy brothers of their hard work and dedication to our lodge. Brother Brian Benford (JD) was voted by his brothers as Master Mason of the Year, and Brother William Ray (JW) won Lincoln No. 99’s leadership award. Both have been instrumental in the lodge’s success over the years, helping assist Worshipful Master Laffon Brelland with everything from bringing new candidates to light, to coordinating lodge events.
Lincoln Lodge No. 99 hosted its 10th Annual Holiday Celebration on December 5, 2014 at the House of Alpha in Huntsville, Alabama. The event was another delightful occasion for the Masonic Chapter to meet with guests from other lodges and OES Chapters in North Alabama as well as the public at large. The celebration continues to grow in popularity each year, which allowed Lodge’s most recent raising of Master Masons the opportunity to get hands-on experience in planning one of its most prominent yearly events.

Food and refreshments along with entertainment was provided for attendees, and fellow lodge members also had the opportunity to be photographed with family and friends. There was also a raffle drawing where the top three winners won a Cruise for Two and cash prizes of $100 and $50. Profits from the Holiday Celebration will be used to help fund many of Lincoln’s Calendar of Events in 2015.

Special thanks belong to Glittering Star No. 94, Order of Eastern Star Chapter, for their hard work in helping to decorate and assist with many of the accommodations which enabled there to be a very successful festivity. Both Lincoln No. 99 and Glittering Star Chapter No. 94 have shared impressive teamwork in 2014 to make sure all of their activities and events were met with positive responses from its participants.

Laffon Brelland, Worshipful Master at Lincoln Lodge No. 99, is proud of the outstanding efforts of the planning committee and the participation of new Masonic members. His plans for the next Annual Holiday Celebration will consist of bigger venue space to meet the growing demand of attendees and to create innovative to purchase tickets in advance.

“It is great to celebrate the holidays with friends and family of the Madison County Masonic community,” said Brelland. “It enables Lincoln Lodge No. 99 to continue serving the community and the Craft.”

District No. 17 Supporting Veterans

On Tuesday, 11 November, 2014 the brothers of District No. 17 came together to show support and appreciation for the veterans in the Huntsville and surrounding areas by their participation in the Annual Veteran’s Day Parade. One of the goals that Grand District Deputy Johnson has set out to achieve is to make Prince Hall Masonry more visible in North Alabama, and the participation of the district in this parade was a step in the direction of meeting that goal. Grand District Deputy Johnson has deemed the Veteran’s Day parade to be a staple event going forward for the district not only to support the veterans in the North Alabama region but to support those veterans that are members of lodges in District No. 17.

One of the highlights for the brothers that participated was to share this moment with Brother Charlie King (Keystone Lodge No. 40) who is an 88 year old World War II Veteran. Brother King’s participation truly inspired the brothers and gave them a true sense of why they were there. At the completion of the parade Deputy Johnson offered some closing remarks to the brethren expressing his appreciation for their participation and that he looks forward to an even larger turnout at the 2015 parade.
Brother Walter Louis Palmer receives the Congressional Gold Medal

On Friday May 23rd, Brother Walter Louis Palmer was presented with the Congressional Gold Medal in front of numerous family and friends at the First Missionary Baptist Church in Huntsville, Alabama in which he is a member. The ceremony celebrated the legacy of service and sacrifice of all Marines who earned the Eagle, Globe and Anchor at Montford Point Camp which became the brotherhood now known as “Montford Point Marines”.

From 1942 to 1949, approximately 20,000 African-American men enlisted in the Marine Corps at a time when our nation was at war and the country and military services were resistant to integration. After completing arduous and segregated basic training at Montford Point Camp, North Carolina, these Marines served with honor during a critical period in our nation's history. Montford Point Marines served in some of the bloodiest struggles in the Pacific - Saipan, Guam Tinian, Peleliu, Iwo Jima and Okinawa. Some died in these battles; many others continued their service in Korea and Vietnam. Many Montford Point Marines carried their exceptional strength of character and indomitable spirit to their lives outside the Marine Corps, becoming leaders in their communities. Mayors, Ambassadors, educators, lawyers, ministers and doctors. Collectively, Montford Point Marines paved the way for the many thousands of Marines of African-American heritage, men and women alike, who serve our nation today with honor, courage and commitment. On 27 June 2012, Congress conferred our nation’s highest civilian award, the Congressional Gold Medal, on the Montford Point Marines. This fitting honor, of which all Marines are proud, anchors the legacy of these warriors’ contributions into both Marine Corps and American history.
