Jimmie Lee Jackson Day Celebration

52nd Anniversary ‘Selma to Montgomery Reenactment March’
Our Selma March participation was another great success. We were blessed to have hundreds of Master Masons and Eastern Stars to participate in the march. With our presence we continue to make a bold statement about the well-being and relevancy of Prince Hall Masonry within this jurisdiction. Thanks to all who participated.

Our regional meetings were very successful. Every meeting was very well attended and very informative. The brothers are enthused about our progress in this jurisdiction.

As you peruse this publication you will see some of the good works that our subordinate lodges continue to produce within our communities throughout the Jurisdiction of Alabama. It is our duty to help the less fortunate. We are our brothers’ and sisters’ keepers! Let us continue to be involved and aim to get more involved in our community service.

But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed. Isaiah 53:5

During this season of re-growth, resurrection and rebirth, one cannot help but think of the Most Worshipful Prince Hall Grand Lodge of Alabama. We are in a stage of re-growth and rebirth; a stage of reemergence and renewed interest in this esteemed organization. This organization is presently within the midst of a growth spurt. We are experiencing numerous reinstatements through TARP. We are also fortunate to have a host of newly raised brothers, as well. Together we will continue to grow and improve our beloved Grand Lodge.

The renewed interest in our Grand Lodge has led to our headquarters hotel for our upcoming Annual Communication having already been booked. This is a growing pain that I welcome. We have just recently secured an overflow hotel. I am looking forward to a very harmonious and productive Annual Communication. I encourage all to attend!

As you peruse this publication you will see some of the good works that our subordinate lodges continue to produce within our communities throughout the Jurisdiction of Alabama. It is our duty to help the less fortunate. We are our brothers’ and sisters’ keepers!

Let us continue to be involved and aim to get more involved in our community service.

If we can help somebody, as we travel along
If we can help somebody, with a word or song
If we can help somebody, from doing wrong
No, our living shall not be in vain

May God, Our Father, continue to bless each of you and may He continue to bless this magnificent Grand Lodge!

Fraternally,

Corey D. Hawkins, Sr.

**Reclamation Drive (TARP)**

In an attempt to give suspended Brothers an opportunity to become active again during these tough economic times, our Most Worshipful Grand Master has devised a plan named TARP—Traveling Again Reclamation Program. This program is designed to allow suspended members to reinstate for a more affordable fee.

Members suspended after June, 2002, can reinstate by paying the following:

- $20.00 reinstatement fee
- $10.00 taxes
- $25.00 registration
- $50.00 assessment (Have two years to pay the remaining $200.00)
- $105.00 Total

Members suspended before June, 2002, can reinstate by paying the following:

- $20.00 reinstatement fee
- $10.00 taxes
- $25.00 registration
- $50.00 assessment (Have two years to pay the remaining $150.00)
- $105.00 Total

TARP serves a two-fold purpose: (1.) It gives suspended Brothers a more affordable means of reinstating and (2.) It gives dying lodges a final opportunity to salvage their existence by increasing their numbers before being forced to close or merge. Our Grand Master has extended a challenge for the members of this jurisdiction to go out and reclaim our lost Brothers. TARP will be in effect through July 31, 2017.

A Message from the Deputy Grand Master

Two are better than one; because they have a good reward for their labour. For if they fall, the one will lift up his fellow: but woe to him that is alone when he falleth; for he hath not another to help him up. Again, if two lie together, then they have heat: but how can one be warm alone? And if one prevail against him, two shall withstand him; and a threefold cord is not easily broken.

Ecclesiastes 4:9-12

Many said that it was impossible and that planes would never fly. Just imagine if the Wright brothers had actually listened to the criticisms of their dream and passion. Our world of aviation would not be what it is today. Orville and Wilbur Wright became known as “aviation pioneers”. A person cannot receive a title of this magnitude, without having a passion for accomplishing his vision. Our Most Worshipful Grand Master, the Honorable Corey D. Hawkins Sr., has established and conveyed his vision to the brotherhood. This vision is based upon the core values of freemasonry and rooted in hard work and dedication to the cause. We encourage all members on the team to be as passionate about their service to the Grand Lodge and freemasonry so that we can complete the task at hand.

The Wright brothers dedicated years of their lives to build the world’s first successful airplane, but not without many bumps along the road. Passion is built from the bumps in the road because only those who truly enjoy pursuing their passion will continue to push on. With that being said, we must continue to strengthen our brotherhood and become more dedicated and passionate toward fulfilling the mission of the Most Worshipful Prince Hall Grand Lodge of Alabama.

Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus.

Phillipians 3:13-14

Bro. William Hooper Council

Bro. William Hooper Council was born into slavery in Fayetteville, North Carolina, on July 12, 1849. His parents were both slaves on the Council plantation. When he was five, his father escaped to Canada and tried unsuccessfully to obtain freedom for his family. In 1857, Bro. Council, his mother, and his brother, Cicero, were sold at the Richmond slave market to a trader, who in turn sold them to a planter in Alabama. His two other brothers were sold separately.

When Union troops occupied Chattanooga, Tennessee during the Civil War, Bro. Council and his family escaped through Union lines to the North. He returned to Alabama in 1865 to attend a school for freedmen that had been started by Quakers. He worked and studied for three years before graduating in 1867.

For several years he worked as a teacher in the black public schools in Alabama while moonlighting as a porter in hotels and restaurants. In 1869, at the age of 22, he opened Lincoln School in Huntsville for black children in the region. In addition to his teaching duties, he attended night school where he studied chemistry, mathematics, law and Latin. He was admitted to the Alabama bar but he never practiced law in the state, but accordingly earned the right to be titled, Esquire.

In 1873, Bro. Council would be raised to the Sublime Degree of Master Mason in King Solomon Lodge, No. 4 in Montgomery, which is now King Solomon Lodge No. 7. While there he thrived well as a Brother.
In 1875, the Alabama legislature appointed 26 year old Council as the first principal of the State Colored Normal School at Huntsville, which is now known as Alabama A&M University. The school opened on May 1, 1875 with an appropriation of $1,000 in the basement of a Huntsville church. The Colored Normal School would train black teachers to work in Alabama's segregated school system and under his direction.

In 1874, Bro. Council, along with many others in the Madison County area chartered Evening Star Lodge, No.4., it would eventually become Evening Star Lodge, No. 6. He held several seats in the lodge and eventually served as Worshipful Master. Later he would also serve as Junior Grand Warden in the Prince Hall Grand Lodge.

In 1877, Council founded the Huntsville Herald, which he published and edited until 1884. The following year he established St. John African Methodist Episcopal (AME) Church. In 1887, William Hooper Council attracted wide attention when he filed a lawsuit with the Interstate Commerce Commission for being ejected from a first-class coach while traveling on an Alabama railroad. That action later prompted his superiors to relieve him of his duties as president of the State Normal School, only to reappoint him in 1888.

Bro. Council would continue his work by working with a group of Blacks, to include, Booker T. Washington and Past Grand Master Dr. S.S.H. Washington, to influence the legislature to have Black protections in the 1901 Constitution. Their efforts were for naught, as the imposition of Jim Crow was consecrated in the State Constitution.

On April 9, 1909, following a long illness, William Hooper Council died in Huntsville at the age of 61. He was given a Masonic burial and was mourned by many throughout the country.

Grand Lodge Historian
Greetings:

“I did not have sexual relations with that woman.” “Man will never fly.” “You are still as good as you were 30 years ago.” Secrets and lies have been with us throughout our history. Some are just considered innocent; others foolish. Some are even necessary, but some are deadly. HIV is allowed to persist because of the secrecy and lies that surround it. I hope to convince you that this infection is preventable, not necessarily by mere abstinence, but if we remove the secrecy, we can help with prevention.

HIV (Human Immunodeficiency Virus) is a smart virus. When it enters our blood system, it goes into the cells that are supposed to be fighting it (CD4 cells) and uses those cells to multiply. The main way this virus is contracted in the United States is through sexual relations and IV drug abuse.

Before we all bristle up and say, “That can’t happen to me,” let’s look at some of the high-risk groups for contracting HIV as listed by the Centers for Disease Control and Prevention. The CDC states that these groups include: MSM (men who have sex with men), IV drug abusers, and people living in the South! Did you grasp the last one? Just because you live in the south in the U.S., you are at high risk for acquiring HIV! That is because HIV is more prevalent in southern states, when compared to other areas of the US. There is also an increased prevalence of poverty and a relative decrease in physicians in this same area. There are studies which suggest that these factors contribute to the higher occurrence of HIV in the South.

HIV can thrive in our bodies for years without causing symptoms. However, when a person is first infected with HIV, he/she may exhibit a viral syndrome. There are generally vague symptoms associated with this condition such as fever, fatigue, muscle aches, and a rash – all very common and non-specific. These symptoms are very easy to overlook and they usually clear without any treatment. Much of the time, these symptoms do not occur or are not remembered. Afterward, there may not be any symptoms of HIV for months to years.

As this virus is allowed to multiply unchecked (no treatment), the number of infected CD4 cells increases and the immune system weakens and becomes unable to fight off other infections. Those other infections take the opportunity to infect a person with a weakened immune system, thus they are called opportunistic infections. The person consequently develops AIDS which is caused by HIV. These infections can cause symptoms including weight loss, fevers, chills, rashes, cough, and severe fatigue.

The good news is that HIV is now a treatable infection. Note that I did not say it was curable; but it is treatable. Once a person is treated and the virus is controlled, the chance of passing on the infection is very low. The treatment has progressed so much in recent years that, for a lot of people, the infection can be controlled with one (1) pill a day. But the treatment is only effective if you know that you are infected. That is why the CDC recommends that all adults between the ages of 15 and 65 years of age, as a part of routine screening, be tested at least once in a lifetime. It may need to be more often if there are risk factors for acquiring HIV such as high-risk sexual activity, IV drug abuse or living in areas like the South with a high prevalence of HIV. But again, the first test is recommended regardless of risk factors.
If all persons infected with HIV can be diagnosed and treated, the number of newly infected people will decrease. Most new infections are contracted from people who don’t know that they are infected or are not on treatment. We can also offer people one pill a day to prevent HIV if they are uninfected but are at very high risk for getting infected. This group includes: partners of infected people, people who have multiple sexual partners, people who have unprotected sex with people whose HIV status they don’t know, or people engaged in other high risk sexual activity.

People living with HIV often have to live their lives under a veil of secrecy because society makes many judgments on what it thinks these people are doing. But know that HIV is not confined to any one group of people, any specific gender, color, or sexual orientation. One in 300 people are living with AIDS in the U.S., and the numbers are higher in the South. Therefore, there is a high probability that you know someone living with this infection. If you found out that your friend, neighbor, or cousin was infected, would that change the way you think about him/her? Do you know for sure that you are not infected? Love saves lives. People living with HIV need your love and support, not stigma, fear and secrecy.

This secret can kill. Know your HIV status. Know that if you have ever had an episode of unprotected sex, then you are at risk. The only zero risk from sexually acquiring HIV is to never have sex. Know your partner’s status. Don’t keep this a secret, at least not from yourself.

Free testing is available at Montgomery Advocacy and Outreach (MAO) Monday through Thursday from 8:00 a.m. – 4:30 p.m. and 8:00 a.m. – 12:00 noon on Friday. Results are available in 20 minutes and no blood is required.

Brother Robert D. Bryant
Appointed as District Court Judge

“...thou anointest my head with oil; my cup runneth over.” Psalms 23:5

On March 27, 2017, for the first time ever, an African-American donned the robe and rapped the gavel of the district court judge in Marion, Perry County, Alabama. Brother Robert D. Bryant, of Goshen Lodge No. 132, is especially grateful and honored to hold this place in history. To say that he is happy and proud would be the understatement of the century. It is the second time that a Prince Hall mason has held the position. The Honorable Donald McMillan, also a member of Goshen Lodge No. 132, preceded Bryant. His election to the circuit court left the vacancy. Brother Bryant was humbled and excited to be selected and appointed by the Governor of the State of Alabama, the Honorable Robert Bentley, from a very capable and crowded field of candidates following a selection process that lasted months.

In Alabama, district courts are generally the first level of our state trial court system. District court judges preside over matters ranging from civil suits with up to $10,000.00 in controversy, juvenile matters involving children alleged to be delinquent or dependent, original jurisdiction of misdemeanors and preliminary hearings of felonies including capital murders.

Brother Bryant's path here would not have been possible without the true and living God, a prayerful and supporting family, and a great education. He received his secondary education from the Perry County School System followed by attending college at Selma University in Selma, Alabama, and then matriculating from the University of Alabama to Miles Law School of Birmingham. His legal career has extended over 15 years and encompassed almost all areas of law.

Judge Bryant said, “I am so blessed to have beautiful family: a wife of over 14 years, an eight year old daughter and a one year old son. I am thankful for all of the well wishes, prayers and encouragement from all the brothers, especially my fellow members of Goshen Lodge No. 132, Jimmie Lee Jackson Holy Royal Arch, Walter Evans Royal Select, Edward Turner Commandery, Abraham Consistory No. 257, and Khedive Temple No. 16.” Congratulations to the Honorable Judge Robert D. Bryant!
Bro. Michael Bell, Jr.
Awarded Scouting Wood Badge

Bro. Michael Bell, Jr., Past Mast of Geometry Lodge No. 410, was awarded his Wood Badge on February 26, 2017. The Wood Badge is the highest level of Adult Scout Leader Training available. It was first presented in England by the founder of Scouting, Baden Powell, and he introduced the program into the United States during a visit in 1936. While it is rich in scouting history and tradition, participants spend six full days and nights learning modern leadership theories from contemporary scholars such as Ken Blanchard (author of the One Minute Manager series of books), Stephen R. Covey (author of The Seven Habits of Highly Effective People and Principle-Centered Leadership), and Spencer Johnson (author of Who Moved My Cheese). These workshops are taught through lecture, group discussion, hands-on exercises, and through the creation of goals that apply the leadership training received. At the conclusion of the course, attendees will have created at least five goals. A counselor is assigned to work with each attendee for 18 months to ensure application of the training they received and the completion of the five goals. Bro. Michael Bell, Jr., stated, “During my Wood Badge training I have learned a deeper understanding of what Scouting is and why we do it. I have learned a better grasp of managing conflict, servant leadership, and different stages of team development and leadership for those different stages, coaching and mentoring, leading change, project planning and leaving a legacy. I have learned and experienced things that will stay with me in Scouting for the rest of my life. What I learned to earn my Wood Badge will make my Scouting Unit, District, & Council stronger. It will also make my other groups, like work, church, freemasonry, and even family, stronger as well.” Congratulations Brother Bell!

What Makes A Man A Mason?

Poem
by George M. Free

What makes a man a Mason, O brother of mine?
It isn’t the due guard, nor is it the sign,
It isn’t the jewel which hangs on your breast
It isn’t the apron in which you are dressed

It isn’t the step, nor the token, nor the grip,
Nor lectures that fluently flow from the lip,
Nor yet the possession of that mystic word
On five points of fellowship duly conferred.

Though these are essential, desirable, fine,
They don’t make a Mason, O brother of mine.
That you to your sworn obligation are true
‘Tis that, brother mine, makes a Mason of you.

Secure in your heart you must safeguard and trust,
With lodge and with brother be honest and just,
Assist the deserving who cry in their need,
Be chaste in your thought, in your word and your deed.

Support he who falters, with hope banish fear,
And whisper advice in an erring one’s ear.
Then will the Great Lights on your path brightly shine,
And you’ll be a Mason, O brother of mine.

Your use of life’s hours by the gauge you must try,
The gavel of vices with courage apply;
Your walk must be upright, as shown by the plumb,
On the level, to bourn whence no travelers come,

The Book of your faith be the rule and the guide,
The compass your passions shut safely inside;
The stone which the Architect placed in your care
Must pass the strict test of His unerring square.

And then you will meet
with approval divine,
And you’ll be a Mason,
O brother of mine.
2017 Jimmie Lee Jackson
Day Celebration

“Greater love hath no man than this, that a man lay down his life for his friends.” —John 15:3

On Sunday, February 19, 2017, the Perry County Civic League sponsored the Annual Jimmie Lee Jackson Day Celebration of the late Brother Jimmie Lee Jackson who was a member of Goshen Lodge No. 132 in Marion, Alabama. This year marked the 52nd year since that fateful night on February 18, 1965, when Bro. Jackson was shot by an Alabama State Trooper at a peaceful voting rights rally in Marion, Alabama. Eight days later, he died from his wounds. His death inspired another voting rights march; the violence at that protest known as “Bloody Sunday”—made more Americans favor civil rights, and made it possible to pass the 1965 Voting Rights Act.

This year’s program theme was “Education Is the Great Equalizer”. The Most Worshipful Grandmaster, Honorable Corey D. Hawkins, Sr., Esq. brought greetings. The crowd was treated to a dynamic speech by the program’s keynote speaker, Congresswoman Terri Sewell, U.S. Representative from Alabama’s 7th Congressional District, Democratic Party. A strong contingent of brothers, from near and far, attended in masonic regalia.

The program is held annually on the third Sunday in February, and generally begins the Bridge Crossing Jubilee.
The members of Liberty Star Lodge No. 333 prepared 80 bags of essential items for the men and women at Colonial Haven Nursing Home in Greensboro, Alabama on March 25, 2017. The residents were grateful for the bags of necessities, the songs, and visitation from the lodge members. Liberty Star Lodge No. 333 is dedicated to providing services to those in need. They pride themselves in helping their community and the surrounding areas.

The Brothers of Masonic District No. 8 performed the Masonic Cornerstone Laying Ceremony on March 19, 2017 at the request of Reverend Willie D. McClung, PhD., Senior Pastor of the historical Holt Street Memorial Baptist Church in Montgomery, Alabama, and the Special Dispensation of the Most Worshipful Corey D. Hawkins, Sr., Esq., Most Worshipful Grand Master of the Most Worshipful Prince Hall Grand Lodge F & A M of the Jurisdiction of Alabama. The ceremony was performed in conjunction with the Annual Men’s Day and Building Dedication Program. The speaker for the program was Reverend Dr. W. D. McClung, II, pastor of Emmaus Missionary Baptist Church in Owings Mills, Maryland. The Master of Ceremony was Rev. Willie D. McClung, PhD., Senior Pastor and the father of the guest speaker. The theme of the program was “What Means These Stones” Joshua 4:21 – 24.

Following the Church Services, the members of Masonic District No. 8 Cornerstone Ceremonial Team led by Grand District Deputy, RW Donald R. Parks then formed the procession and performed the full Cornerstone Laying Ceremony. Lodges represented at the ceremony were: St. Mark No. 4, King Solomon No. 7, Tranquil No. 48, Mt. Horeb No. 82, J. H. Green No. 113, Abraham No. 267, R. H. Rice No. 345, Hamilton No. 365, W. T. Woods No. 842, and Parris No. 957.

After the Cornerstone Laying Ceremony was completed the Brothers returned to the assembly hall for a short meeting and a period of training/instruction and were dismissed. Many Brothers remained at the hall for fellowship.

Rev. Dr. McClung and the members of Holt Street Memorial Baptist Church expressed their thanks for the excellent way the ceremony was performed. The District received very positive feedback on the performance of the Ceremonial Team as well as the dress and appearance of the entire entourage of Masons attending the program, dedication, and the Cornerstone Ceremony.
One indisputable measure of a lodge is its ability to plan and execute meaningful Masonic programs and activities for the brothers to participate. Charity is universally considered a foundational ideal of Freemasonry. Consonant with this ideal, King Solomon Lodge No. 7 has met its Masonic obligation in the relevant quarter.

King Solomon Lodge No. 7 produced, in 1901, a Most Worshipful Grand Master of the Jurisdiction of Alabama namely, the Most Worshipful Dr. Samuel Somerville Hawkins Washington, Jr., and which also counts among its membership a recipient of the highly coveted and competitive Alabama Council of Deliberation Sublime Prince of the Year Award, among other things.

Over the past quarter, King Solomon Lodge No. 7 has engaged in the following Masonic activities: The Brothers planned and put into practical effect an enjoyable and charitable fellowship/mixer with the widows whose beloved husbands had held active membership in King Solomon Lodged No. 7 and have sadly moved from labor to refreshment. It is an ancient principle of Freemasonry that Masonic Lodges are expected to offer eleemosynary support for widows of worthy brothers. Thus, pursuant to this Masonic obligation, the Brothers of King Solomon Lodge No. 7 treated the widows to an all-you-can eat lunch at Fried Tomato Restaurant on Atlanta Highway in Montgomery. It was an enjoyable fellowship for which the widows were sincerely grateful.

Additionally, the Brethren organized and led a joint raising of candidates. Both King Solomon Lodge No. 7 and Mount Moriah Lodge No. 97 jointly collaborated and raised three candidates from the Fellow Craft degree to the Master Mason degree. This joint and cooperative Masonic effort is indeed essential to the proper cultivation of true Brotherhood in the Masonic Order.

In furtherance of our Most Worshipful Grand Master’s sagacious initiative Traveling Again Reclamation Program (TARP), King Solomon Lodge No. 7 reinstated two Brothers. King Solomon Lodge No. 7 intends, in no uncertain terms, to continue on the path worthy of its name as it has done in years past. King Solomon Lodge No. 7 will continue to explore innovative ideas for increasing membership in the Lodge.

Success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome.

*(Booker T. Washington)*
On February 25th, Hamilton Lodge No. 365 in Montgomery, Alabama visited UAB Children's Hospital, where they delivered coloring books, crayons, bubbles, and friendly smiles for all the kids. The brethren paid for all of the supplies out of their own pockets. When it comes to children, the brothers at Hamilton Lodge No. 365, under the direction of Worshipful Master Loveless Belser, believe that the children are our future. The lodge also visited Grand Master Hawkins where they delivered a scrapbook of all of their community service events from 2016. Honors MLK Day of Service

Brothers of Phoenix Lodge No. 428 came together to honor Dr. Martin Luther King, Jr., by cleaning up their one-mile stretch of highway adopted by the lodge. The lodge was recently granted approval to participate in the Adopt-A-Mile highway program and took full advantage of it by working on the MLK holiday. Martin Luther King, Jr. Day is the only federal holiday observed as a national day of service – a “day on, not a day off” – and is an opportunity for people from all walks of life to work together to help solve our most pressing problems. Worshipful Master Carlton Jones issued the call to his craft to come and work on the federal holiday by cleaning up trash and debris that was strewn along the one-mile stretch of highway on highway 165 in Russell County, Alabama. Brothers were more than happy to answer the call by the Worshipful Master. On January 16th, brothers assembled at their Adopt-A-Mile sign and began to walk the stretch of highway picking up any and everything in their path. They walked and talked and laughed as they cleaned the area dedicated to them. The fellowship was special as newly raised Master Masons got an opportunity to see and experience brotherhood. Well Done 428!

At least twice a month the brothers of Goodway Lodge No. 222 donate canned goods to the Rose of Sharon Soup Kitchen and Thrift Store located at 2412 Memorial Pkwy in Huntsville, AL. The canned good donations help the soup kitchen feed the 60 plus individuals that they provide free lunch to on a daily basis. One of the staff members relayed to the brothers of Goodway Lodge No. 222 of how happy she was for our donations as the amount of citizens frequenting the soup kitchen has increased recently and that prior to our donation they were not sure if they would have enough good to feed them!

Stressing importance of reading, and receiving equal opportunity in education has always been a major objective of the proactive and community conscious leaders in the Decatur and Morgan County area. Brother Curtis Taylor, Senior Deacon of George W. Braxdall Lodge No. 28, and founder of the well-respected multimedia broadcast radio show, “Something 4 the Fellas,” has worked tirelessly to bring awareness coupled with knowledge to the community at large. Brother Curtis Taylor was awarded the key to the city in Selma, Alabama at the Jubilee Day Celebration on the 50th Anniversary of the Edmund Pettus Bridge Crossing. Brother Taylor was also a keynote speaker at this very important event. While in Selma, he had the honor and pleasure of meeting the President of the United States, Barak Obama, as well as, various other dignitaries and historical icons.

It was a heartfelt and unforgettable experience for brother Taylor, especially being able to march on Bloody Sunday with the Brethren of the Most Worshipful Prince Hall Grand Lodge of Alabama. One person that he met at that event made this experience even more meaningful. Civil rights icon Linda Lowry, who is also an accomplished author and speaker, known around the world for her personal accounts of the original Bloody Sunday, made time available to talk to brother Curtis Taylor in an exclusive heartfelt interview. From this he was able to convince Linda Lowry to come to Decatur, Alabama to speak at a read-in, which was a collaboration with Decatur Youth Services. This was a Historical moment and will forever be remembered by the Decatur community. In support of Brother Curtis Taylor's accomplishment, the Brothers of George W. Braxdall Lodge No. 28 were present to share this moment. As a member of the Order of Eastern Star, it was even more of an honor when Ms. Lowry recognized her brothers’ support and wanted a photo with us.
On March 3, 2017, the brothers of Morning Star Lodge No. 50 hosted their ninth Annual Black & White Charity Ball held at the Von Braun Civic Center in downtown Huntsville, Alabama.

The brothers of Morning Star Lodge No. 50 would like to thank everyone for their support in helping to make this Black & White Charity Ball an experience and encounter that will be remembered for years to come. This was a public affair and the brothers of Morning Star Lodge No. 50 encourage your organization’s continued support.

Morning Star Lodge No. 50 Honors PM and PRWGDD Leonard Allen Jackson

Morning Star Lodge No. 50 honored their Past Master and Past Right Worshipful Grand District Deputy Leonard Allen Jackson during the Last Masonic Rites Ceremony conducted on March 24, 2017 at Royal Funeral Home in Huntsville, AL. Lodge members also served as Honorary Pallbearers for his home-going services on March 25, 2017 at First Missionary Baptist Church in Huntsville, AL.

Morning Star Lodge was chartered in 1939. PM Jackson is documented in the lodge history as being a member of Morning Star Lodge since the late 1940’s, serving in the Junior and Senior Warden positions. He continued to serve the lodge through the years and in 1981, Brother Jackson was elected to the office of Worshipful Master. He brought with him the promise to lead the Lodge in the innovative concept of building both manhood and character. He also brought a strong program of studying and training. He stressed the importance of establishing a good public image by attending a Brother’s church service each 5th Sunday, sponsoring golf tournaments, supporting scholarship programs and little league sports. In addition, PM Jackson served as RWGDD from 2000 – 2007.

The Masonic Family remembers PM Jackson as a friend and a brother; one of the most gentle, kindest persons you could ever meet. He was “A MASON EXTRAORDINAIRE”, “BRIDGE BUILDER”; one who openly shared his knowledge and prospective. He was a mentor and a role model worthy of emulation; one who expressed love for and commitment to the order. Brother Jackson exemplified what it meant to be a Mason; a teacher and a supporting participator in “Making Good Men Better”. He always was willing to help, aid and assist wherever the need existed; because he was softhearted, compassionate and cheerful.

So as PM Jackson’s dash now has an end date, we all should be reminded that we too have a date, though it is unknown, we must have faith and believe that while we labor here on this journey, we are fulfilling a life purpose for the will of God.
